DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 27-37 and 41-52 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claim 27, on lines 9-11 & in claim 43, lines 10-13, "front opening offset from a centerline of the jacket.....and being offset toward a sleeve"; and in claim 52, lines 7-8, "front opening offset from a centerline of the jacket.....a curved line offset toward a sleeve" is indefinite since it is unclear as to what the offset distance is between the centerline of the jacket and the sleeve or is the offset of the front opening different along a curved line thereof in comparison to the centerline of the jacket and the sleeve ? Correction is required.

Allowable Subject Matter

3. Claims 27-37 and 41-52 would be allowable if rewritten to overcome the 112-2nd rejection as set forth in this Office action.

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to Applicant's disclosure.
5. The prior art made of record and not relied upon is considered pertinent to Applicant's disclosure.
